Greenwipes®
GW-1108
CottonRags™
A New Generation of Cotton Rags

GW1108-M CottonRags™

Greenwipes® GW-1108M CottonRags are a next generation alternative to cotton rags used for a wide variety of general cleaning tasks. It is highly cost-effective, saving you up to 95% on scheduled waste management fees (SW 410) and 50% on purchase cost. It is as absorbent as paper towels and strong as cleaning cloths, with excellent grease lifting power.

It is easy to wash and reuse over and over, or disposed when it becomes too much of a chore to wash. Use it dry to clean up spills and leaks or use it with any type of cleaning chemicals you wish, as this cleaning wipe is compatible with most professional cleaning solutions, including alcohols, acetone and MEK.

It is FDA approved safe for food contact surfaces so you can use it with peace of mind on all kinds of food handling surfaces and equipment, too.

Why CottonRags™

- ✔ Cost Effective – Save 50% on purchase cost and 95% on scheduled waste disposal fees.
- ✔ Superior Absorbency – Excellent spill cleaning and grease lifting properties.
- ✔ Compact & Space Efficient – Portable and takes up little storage space.
- ✔ Excellent Durability – Strong like cloth and reusable
