LIGHT

Versatile Cleaning, Excellent Value

GW-6000 LIGHT INDUSTRIAL CLEANING WIPES

The Greenwipes® GW6000 LIGHT are a high-performance industrial cleaning wipes alternative to cotton rags and shop towels. They are safer, more cost-saving and gives you outstanding cleaning results compared to any other similar products available in the market.

If you need wipes that can take your operational hygiene to the next level, Greenwipes® LIGHT is the right choice at excellent value for your business.

Designed For:

Performing various general cleaning and maintenance of hygiene involving all sorts of dirt, dust, oil and liquids at the best value.

Ideal For:

Businesses that perform regular light and general cleaning on a daily basis.

Its lightweight, absorbent, and durable material is versatile enough to handle a wide variety of general cleaning tasks that involve liquid, oil, dust and dirt. GW6000 LIGHT cleans anything from light to heavy messes on any surface that needs cleaning - from floor to counter tops to machinery.
