GSHIELD™ 70 ALCOHOL DISINFECTANT WIPES & DISINFECTANT SPRAY

Greenwipes® GShield™ 70% Alcohol Disinfectant range consists of disinfectant wipes and disinfectant spray formulated with premium 70% Isopropyl Alcohol to deliver ultra-fast kill time against 99.99% pathogens without leaving residues or streaks on surfaces. Dries quickly and streak free without leaving residues, making it the perfect option for liquid-sensitive surfaces such as electronics and touch screens.

Designed For:

Disinfection of non-invasive general areas and medical surfaces such door knobs, switches, touch screens, glass and electronic surfaces..

Ideal For:

Medical practitioners in healthcare settings such as hospitals, clinics, vets, dental clinics, pharmacies, medical offices and consultation rooms.

This range of hospital grade alcohol wipes and alcohol spray features an optimized formulation that is proven to have high efficacy against a wide spectrum of pathogens including viruses, bacteria, fungi and yeasts.

Product Code: MD-7030-200
