Your Spill Kit Essential

# GW-7000/ 8000/ 9000 SORBPADS™ ABSORBENT PADS

Greenwipes® SorbPads™ are specially designed to absorb a variety of spills and leaks, including oil, corrosive chemicals, and liquids. SorbPads™ spill absorbent pad can quickly soak up to 10 times their weight, making them an ideal option for cleaning up spills, collecting leaks from machines, or controlling spillage from barrels. They are effective not just indoors, but outdoors too - in situations such construction site clean-up and on oceanic spills.

These professional absorption pads come in 3 different formats: oil absorbent pads for oil-based spills; corrosive chemical pads for aggressive chemicals; and universal spill pad for general spills.

A must have for any work place spill kit.

## Why SORBPAD™:

- ✔ **Healthier Option** – Clean and dust free
- ✔ **Cost Effective** - Save up to 73%\* on materials, labour and waste disposal
- ✔ **Efficient** - Fast, easy & mess-free clean up
- ✔ **Convenient** - Lightweight & portable

## Designed For:

Businesses that encounter workplace and environmental spills of all nature. A smarter alternative to absorbing with loose absorbents such as chemicals, saw dusts and absorbent granules.
